EDUCATION

MCA
Lovely Professional University
11/2021 - 01/2024   *70%*

BCA
Punjab Technical University
06/2018 - 06/2021   *85%*

WORK EXPERIENCE

Senior System Associate
Infosys Limited
07/2021 - Present   *Serving Notice Period*
Working extensively on Angular projects after my training itself. Experience with debugging & upgrading the application version, able to convert Angular Web to Android & IOS Apps using Capacitor.
Achievements/Tasks
- Enhanced application performance using component based development.
- Experience with creating custom directives, services to interface with restful apis.
- Worked on Git as a control version and used Spring Boot in backend to create apis.
- Used Ajax, JSON to send request to the server and for storing/exchanging information between browsers and servers.
- Experience in Complex API Building using Spring Boot.

ACHIEVEMENTS

Code Battle Hackathon Winner (08/2022 - 08/2022)
